North Island 300 Metre Championship 2018

Te Puke rifle club range was again the venue for the North Island 300 metre championship held over the weekend of the 26^{th} & 27^{th} May 2018.

Eleven competitors shot in challenging conditions. The Saturday was mainly bright and sunny with a right wind that averaged around 2 $\frac{1}{2}$ minutes with some brutal gusts and drops. Sunday dawned overcast and stayed that way, but brightened up to provide good sighting. The wind was gentler but no less tricky, with abrupt drops and directional changes.

Saturday	Sunday
